Mr. René J. Heintz,

Buffalo, N.Y.

Dear Sir:

Responding to your letter of June 13th, I am enclosing a brief circular describing the activities of our Society together with a list of our monographs. This will give you some idea of our publications, which are sent as a partial return for dues to the number of from four to six each year. The annual dues of an associate are \$5.00. The question of return therefore resolves itself into whether the publications to an out-of-town member are worth the annual fee.

I am enclosing an application card in the event that you care to qualify as an Associate, but the next meeting of the Council will not take place until September or October.

Very truly yours,

Sydney P. Noe

*Does this mean, that I should not
sent in my application until September? Kindly
make this more clear. Thank you.*
